

Proceedings [ECF No. 44]. No party opposes a stay of case deadlines and discovery in this case, and thus the Court's entry of a stay is likely imminent. *See* ECF No. 54.

There is good cause for a short two-week extension of the answer date. Such an extension will allow time for the Court to consider the terms of the stay of the case. To the extent the Court does not enter a stay for any reason, the requested extension would provide defense counsel with additional time to investigate the facts and better prepare a substantive answer or other response to the operative pleading.

In accordance with Local Rule 7.1, the undersigned counsel consulted with Plaintiff's counsel, who consented to the relief requested herein. Based on the foregoing, Defendant Barton respectfully requests that this agreed motion for extension of time be granted.

Dated: November 15, 2022

Respectfully submitted,
